

VECTOTHOR™

FLY BAIT

ATTRACTION PROVES DEADLY FOR FLIES!

VECTOTHOR FLY BAIT was developed by **ENSYSTEX** for fly control in a range of situations.

This fly bait is not only effective in eliminating flies, but has a versatile array of applications to suit many and varied indoor and outdoor applications.

The formula of sugars and sex attractant contained in VECTOTHOR Fly Bait has been scientifically tested to prove its effectiveness.

Flies are drawn to the surface where they are quickly knocked down. VECTOTHOR Fly Bait granules are blue in colour, following scientifically proven data indicating it to be the most effective colour for attracting flies.

THE VECTOTHOR FLY BAIT FACTS

Fast knockdown and better kill results. Multiple application options including;

- ✓ Scattered granules for dry surfaces
- ✓ Bait station options
- ✓ Wet bait options for damp surfaces
- ✓ Paste options - bait diluted with a small amount of water so that it can be painted on walls
- ✓ Liquid options - bait diluted with a larger volume of water to allow it to be quickly sprayed on to walls and other surfaces
- ✓ Flexible for indoor and outdoor applications

Active Ingredient - Imidacloprid and (Z)-9 Tricosene
Reg. No. L10889 of Act No. 36 of 1947
